YOU CAN FOLLOW TRENDS. OR YOU CAN SET THEM.

This inspiring philosophy drives the business at AMB Group, a progressive enterprise that stands at the forefront of Facade and Fenestration technology. We specialize in delivering Facades, Aluminium Doors & Windows, uPVC Doors & Windows, Signages and Railings that easily cut through the clutter. Our business is backed by a pedigree of excellence and innovation. Since its inception in 1991, architects, designers, building consultants and developers have entrusted their ambitious projects to AMB Group. Serving diverse clients across multiple segments, we have played a pivotal role in building many landmarks that grace the Pune skyline.

We specialize in delivering **Facades, Aluminium Doors & Windows, uPVC Doors & Windows, Railings & Signages** that easily cut through the clutter.

MISSION

To deliver ingenious Facade and Fenestration solutions that turn ordinary buildings into extraordinary landmarks.

VISION

To evolve into an iconic brand that evokes trust, inspires exclusivity and breaks new ground in sustainable design.

CORE VALUES

PASSION

Passion drives our work all the time.

INTEGRITY

Our business stands on a solid foundation of transparency.

SOLUTION FOCUS

We work with a problem-solving approach to our clients' needs.

FORWARD THINKING

We have cultivated a culture of innovation and smart work.

ACCOUNTABILITY

We accept responsibility for our thoughts and actions.

BRAND PROMISE

We design to make it different,
We engineer to make it exact,
We fabricate to make it fabulous.
A promise that is fulfilled in every project – big or small.

OUR ENVIRONMENTAL POLICY

The earth's resources are limited and finite. As a responsible corporate player, we are actively working towards reducing the environmental footprint in our processes and products by controlling the ecological impact of our operations.

STEERING THE BUSINESS TOWARD GREATER SUCCESS

AMB Group is the brainchild of **Govind Badve**, who leveraged his extensive expertise and experience in the signage business to establish the Company. A visionary entrepreneur, he set the stage for rapid growth in the formative years.

Second-generation entrepreneur **Mahesh Badve** (B.E., Pune University) took the organization's success to the next level. With his strong technical knowhow and deep understanding of market trends, Mahesh has instilled a culture of innovation and efficiency across the organization. He has been instrumental in forming strategic alliances with global industry players. Aply supported by the other Directors viz **Archana Badve** - B.A.M.S., **Prathmesh Badve** - B.Tech IIT Gandhinagar / IITGN and **Ishwar Badve** - B.E., he is capably steering the business towards a new horizon of market dominance.

EXPERTISE

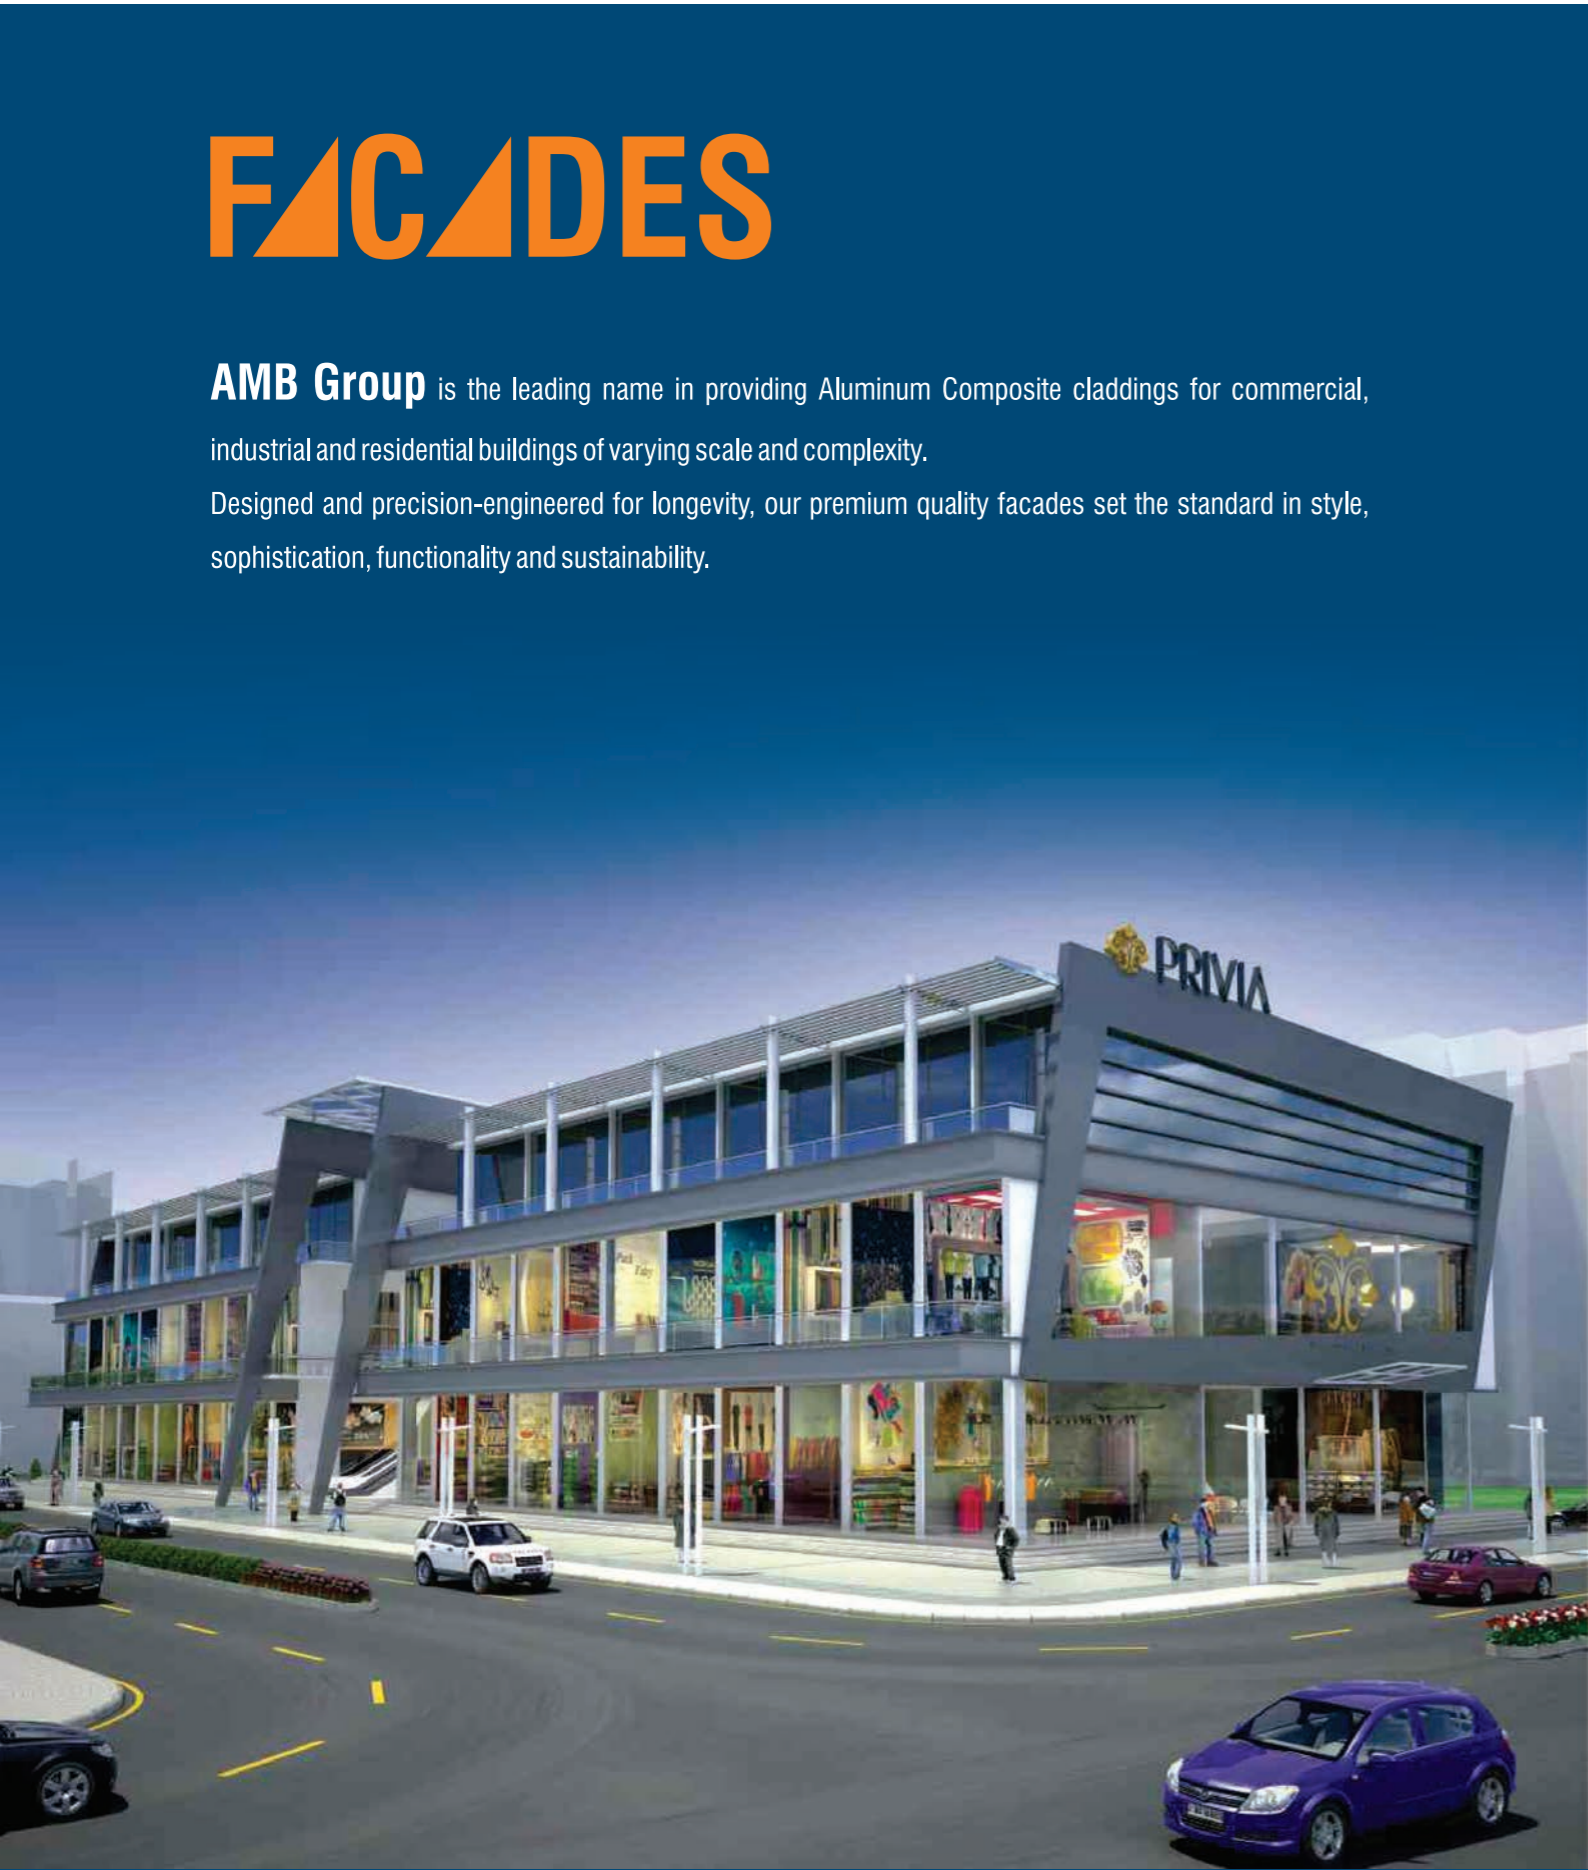

Pushing the limits of excellence

FACADES

AMB Group is the leading name in providing Aluminum Composite claddings for commercial, industrial and residential buildings of varying scale and complexity.

Designed and precision-engineered for longevity, our premium quality facades set the standard in style, sophistication, functionality and sustainability.

WE EXCEL IN :

- Aluminium Composite Panel
- High-pressurized Laminates
- Dry Stone and many other material configurations

STRUCTURAL GLAZING :

- Semi-unitized Glazing
- Unitized Glazing
- Suspended Glazing
- Spider Fitting
- Curtain Wall

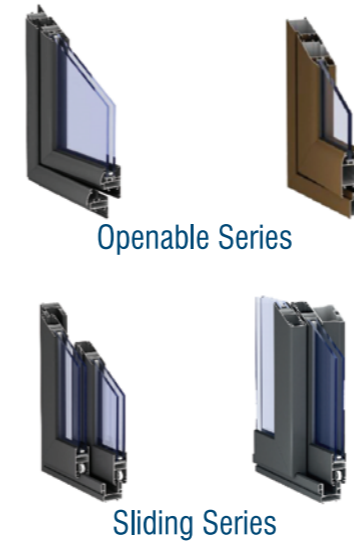

uPVC DOORS & WINDOWS

Backed by the rich global legacy of LG Hausys, our uPVC Doors and Windows stand at the intersection of functionality and aesthetics. The superior quality products are the result of optimized production process at LG Hausys; their dedicated green practices ensure freedom from lead, cadmium and mercury.

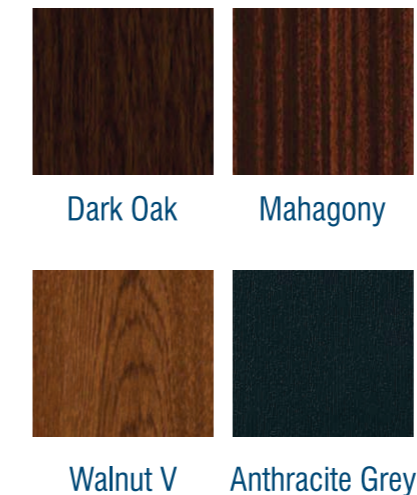

ALUMINIUM WINDOWS & DOORS

We offer world-renowned German brand AluPure Doors, Windows and Sliding Systems that are known for their imitable elegance, high acoustic comfort and superior privacy. Stylish yet remarkably robust, these products are able to withstand heavy loads or extensive structural stress.

WOODGRAIN & GREY LAMINATES uPVC WINDOWS & DOORS

We also offer precision-engineered uPVC Windows and Doors from Kommerling, the globally renowned market leader from Germany. As a brand that symbolizes futuristic windows, Kommerling's innovatively designed and extruded windows enhance architectural beauty while upholding best green practices.

RAILINGS & SIGNAGES

AMB Group specializes in fabricating superb SS Railings (with or without glass) marked by unique design and impeccable workmanship. We also provide hi-tech Digital Display Solutions that stand out squarely. Our eye-catching signages help boost brand visibility in a competitive marketplace.

WE SPECIALIZE IN :

- SS Railings with or without Glass
- LED Signs
- Metal Letters

ADVANTAGE

Bringing lasting value to relationships Working with AMB Group turns out to be a productive experience in many ways. Some of the reasons why clients prefer to engage us include:

■ INTEGRATED SOLUTIONS

With everything from concept to completion under a single roof, we eliminate multi-vendor dependency and optimize project cost.

■ DISTINCTIVE DESIGNS

Rooted in a culture of design innovation, we create eye-popping facades that also promote energy efficiency in buildings.

■ FASTER TURNAROUND

'Do it right; do it rapidly' – we are known to optimize lead times, eventually resulting in faster project rollout.

■ PAN-INDIA CAPABILITY

We have the ability to execute projects anywhere in India, even at short notice.

■ RESOURCEFULNESS

Our designers and engineers think proactively and suggest workarounds to avoid project pitfalls.

GLOBAL ORIENTATION. LOCAL PRESENCE.

Accuracy and accelerated production is made possible by our imported, high-performance heavy machinery from Fomindustrie, Fenstek and other global giants.
